Scott Disick's

MODEL GIRLFRIEND

THE BAD-BOY REALITY STAR
 HAS A SEXY NEW PARTY PAL.

WELL, that didn't take long! Fresh on the heels of his breakup with longtime girlfriend

Kourtney Kardashian, Scott Disick has found himself a new squeeze. *Star* can exclusively report that the self-proclaimed lord has been hooking up with 22-year-old model **Makayla Yarbrough**.

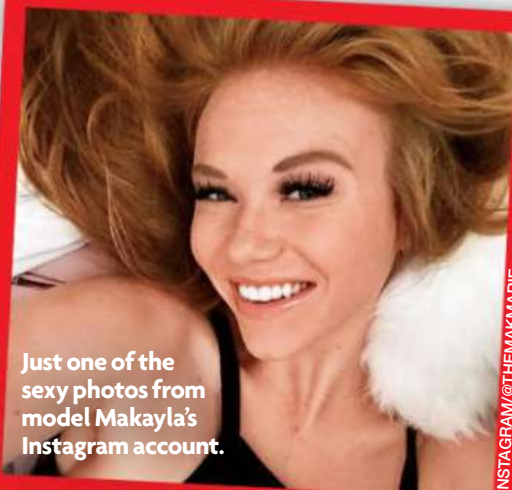

"They met during one of Scott's Las Vegas appearances a few weeks ago, and they've been partying together ever since," reveals an insider. "She's already inserted herself into Scott's life in a big way."

In addition to all-night ragers in Sin City, the Utah native has been traveling with Scott, 32, to out-of-town gigs on his private jet and keeping him company in his Beverly Hills bachelor pad. "She

absolutely loves living his lavish lifestyle," dishes the insider. "She's been bragging to all her friends about sleeping with him."

However, the father of three doesn't appear to share her enthusiasm. The blonde beauty recently tweeted a photo of the two cozied up poolside (see above) but mysteriously deleted it from social media shortly thereafter. "He doesn't want Kourtney to find out he's seeing someone," explains the insider. "He's trying to ensure Makayla stays behind the scenes. She's pretty young and impressionable, so he just tells her what to do and she does it. No doubt she's thinking this could be something serious."

But if Scott's past behavior is any

indication, Makayla is in for a rude awakening. "He pretty much behaved like he was single even when he was in a relationship with Kourtney," adds the insider. "So you can imagine what he's acting like now." ★

Was there a sale on peroxide? Her kids are all sporting very light looks.

TORI'S BLONDE AMBITION

Tori Spelling wants to turn her kids into her own personal blondtourage. *Star* has discovered that the mother of four has been bleaching her young children's hair so they look more like her!

"She made them think it was a cool idea, but kids don't even know what hair dye is and are way too young for this," said the source, pointing out that Liam, 8, and Stella, 7, and possibly even little Hattie, 3, got mommy-and-me makeovers at the salon. "Poor things won't have any hair left by the time they are teenagers if she keeps this up!"

And Tori would know — she herself has to wear extensions because years of highlights and bleaching have left her with brittle, thin locks. But choosing style over substance is nothing new for the *Beverly Hills, 90210* alum; as *Star* previously reported, the unemployed actress and her husband, **Dean McDermott**, are living off credit cards and yet still splashing out on luxuries like \$3,000 facial treatments and Malibu beach houses.

"Her image is more important to her than being a good mother," tattles the source. "It's all for show." ★

MAGGIE vs. UMA CATFIGHT ALERT!

THE CLAWS ARE OUT

They've filmed some dramatic fight scenes for their movie *The Brits Are Coming*, but there's a real-life rivalry going on with **Uma Thurman** and **Maggie Q**. "They argue all the time — they don't care who hears, they make snide comments about each other, and it's clear they don't get along," shares a source on the set of the action comedy. The main problem? Uma wants everyone to know she's the queen bee, but the *Mission: Impossible* beauty wants her to buzz off. "Uma is always talking about how experienced she is, and Maggie hates it," adds the insider. "The funny thing is, Maggie could kick Uma's butt. When they're filming a fight scene, the crew jokes that Maggie may get in a quick right hook after the director yells cut!" ★

TYRA'S BABY BLUES

NOTHING TO SMIZE ABOUT

Tyra Banks wants to become America's Next Top Mommy. The model and TV host revealed that despite her high-flying career, she's yearning for a family. A witness caught the veteran catwalker having a teary meltdown over her personal life while filming an episode of her new show, *The FAB Life*, which airs in mid-September. "Tyra was bawling," says the spy. "She was crying about how she wants kids, and she made it sound like she wasn't able to. It just looked like it destroyed her."

Tyra has been quietly coupled up with Norwegian photographer Erik Asla for the past two years, but starting a family of their own seems to be a sticking point. "Erik already has three daughters from a previous relationship," added the insider. "She's talked about adoption before, but the way she broke down, almost made everyone wonder if an adoption had fallen through. It was heartbreaking to watch." ★

KRISTEN ADDICTED TO THERAPY!

Some celebs collect bags, others hoard fancy cars; but **Kristen Stewart** has a very different fixation: therapy! A friend reveals to *Star* that the actress has no less than three headshrinkers — a psychologist, a couples counselor and a life coach — to keep her on track.

"She considers therapy just part of good health," reveals the pal. "She's religious about her appointments and will even fly her therapist out to a movie set!"

Kristen also drags girlfriend **Alicia Cargile** to weekly sessions, and relies on her life coach to help manage her career decisions. "Her friends think it's way overboard, but Kristen doesn't care," says the insider. "She says she has a lot of issues and that therapy keeps her balanced." ★

★ Star COUPLES

The latest hookups, breakups and makeups

Avril and Chad appear to sport the “heavy hearts” with which they announced their split on Sept. 2.

CHAVRIL
NO
MORE!

Avril & Chad

SEPARATING

After months of jealousy-fueled screaming matches — and rumors of a separation last year — Avril Lavigne and Chad Kroeger call it quits.

AVRIL LAVIGNE is officially returning **Chad Kroeger** to the dating pool...now, if only she could get her nickel back! The Canadian pop star, 30, confirmed the separation on Instagram (alongside a pic from the couple's 2013 wedding), insisting she and the Nickelback frontman, 40, “forever will be, the best of friends.”

But “best of friends” may be pushing it. Sources tell *Star* the marriage was besieged by jealousy from the get-go; the pair had hardly returned from their Italian honeymoon before establishing a set of “rules” to outline their individual freedoms — or lack thereof — within the marriage. “We don’t drink when we’re apart. Ever. Even if we’re apart for weeks,”

Chad explained. Nights at the club? Not without marital supervision! “We don’t want to go anywhere that you’re asking for trouble,” Chad said.

But trouble found them anyway. “They had major trust issues,” reveals an insider. “Chad is a well-known ladies’ man, and Avril couldn’t be with him 24/7 to keep an eye on him. There was no confidence in the relationship, even a year into the marriage. It was totally doomed to fail, and no one would be a bit surprised if cheating was involved.”

Last fall — just over a year after they got married — insiders claimed the couple were separated after months of screaming matches. Avril celebrated her 29th birthday in Las Vegas with

flowing booze but without Chad (or her wedding ring). “Avril looked really beaten down and tired,” said a witness. “She’d definitely gained weight, and her smile seemed forced.”

She was also, as it turned out, dealing with a severe case of Lyme disease, which went undiagnosed for months and left her bedridden and despondent. Though she claimed Chad was supportive throughout her struggle, sources say he only grew more distant.

And in what no doubt feels like a knife twist...Avril’s first husband, Sum 41’s **Deryck Whibley**, who reportedly warned Avril about Chad, *just* tied the knot in a lavish L.A. ceremony. So much for her happy ending. ★

Cameron WORRIED ABOUT BENJI'S EX

THEY say the first year of marriage is always the hardest, and it seems **Cameron Diaz** and **Benji Madden** are learning that lesson firsthand. Just eight months after tying the knot in an intimate Beverly Hills ceremony, tensions have been soaring between the newlyweds over the rocker's relationship with his sexy ex-fiancée, **Sophie Monk**. After calling it quits seven years ago, Benji, 36, reportedly reconnected with the Australian actress in July while he was in Sydney shooting *The Voice*. "They have seen each other several times in the past month or two, and they talk and text all the time," says a source. "It's like they have unfinished business. There's a real spark between them." Not surprisingly, the reunion isn't sitting well with Cameron, 43, who only found out about their "friendship" after she caught Benji receiving a phone call from his former flame. "She went nuts, especially when she learned that Sophie is very single at the moment," exclaims the source. "She feels betrayed and is really on edge about their relationship." ★

Blake Loses His Buddies DOGS GO TO MIRANDA

Breakups become even more heartbreaking when pets are involved — just ask **Blake Shelton**. In an attempt to keep his divorce with **Miranda Lambert** as amicable as possible, the 39-year-old country music singer let his ex have custody of their beloved dogs. Throughout their four-year marriage, the animal-loving couple adopted nine dogs, but it was a blonde puppy named Emmy Lou (which Miranda, 31, found in a ditch in 2012) that stole the crooner's heart. "Blake and Emmy Lou have such a special bond — he let her sleep in bed every night," says an insider. "It's been tough for him not to see her anymore, but he knows he's not around enough to properly care for her." But that doesn't mean he wants just anyone taking care of his precious pup! "He'd be very annoyed if Miranda decided to let an assistant have the dog," dishes the insider.

"She promised him that she'd take good care of Emmy Lou." And who knows, maybe Blake can get visitation rights? ★

RHONYC's Heather MARRIAGE ON THE ROCKS

When news broke that **Heather Thomson** wouldn't be returning for another season of *RHONYC*, fans assumed it was because her story line has been a total snoozefest. But it turns out the 45-year-old reality star has decided to leave the show because of ongoing relationship troubles with hubby **Jonathan Schindler**, 48. "He hates the way Heather behaves on *Housewives*," says a source. "She comes across as shrill and unlikable." Although the outspoken Yummie Tummie founder isn't typically one to walk away from conflict, she's seen for herself what happens when marital drama plays out on the show — divorce! "Things have been so tense between Heather and Jonathan," adds the source. "She is deliberately staying out of the spotlight." ★

Sandra seemed to be on cloud nine when she and Bryan got touchy-feely after meeting up outside her son Louie's school in L.A. earlier this summer. Sandra reportedly brought Bryan as her date to Jen Aniston and Justin Theroux's Aug. 5 wedding.

BRYAN RANDALL

She Has A Type

A native of Portland, Ore., Bryan is an “independent rebel,” just like Sandra’s ex-husband, Jesse James — to whom Bryan bears a striking resemblance (see below).

EVEN before the implosion of her five-year marriage to **Jesse James**, many fans of superstar **Sandra Bullock** wondered what the beloved actress, often referred to as America’s Sweetheart, had ever seen in the tough-guy biker/reality TV star. And when the story broke in early March 2010 that Jesse had been cheating on his wife with heavily tattooed pinup model **Michelle “Bombshell” McGee** — swiftly

followed one month later by Sandra’s divorce filing — it was hoped by fans that Sandra’s next choice in a romantic partner would be someone as grounded as the new mom herself (Sandra had just adopted newborn son Louie that January).

Unfortunately, Sandra, 51, may have gone from the frying pan into the fire.

The Oscar winner is now involved with **Bryan Randall**, 49, a rugged, L.A.-

based model and photographer with a dark history of alcohol abuse, arrests, wild

behavior — and, allegedly, a frightening temper that can go off at any time.

“Bryan is incredibly sexy, but when it comes to his personality, it may be even more troubling than Jesse’s,” says an insider. “Crazy things are just now starting to come out about Bryan’s background. Who knows how much of it he had kept secret from Sandra — but you would have hoped that she’d done her homework before falling in love again, especially after what happened with her ex-husband.”

PAST IMPERFECT

Reportedly, Sandra and Bryan were introduced through mutual friends and have been dating behind the scenes for months. That changed after the duo were spotted on a romantic dinner date at the L.A. restaurant Craig’s on Aug. 27, and it’s now come out that she brought Bryan to the **Jen Aniston/Justin Theroux** wedding three weeks earlier.

It’s also come out that Bryan’s hard-partying past and rowdy behavior began during his days as a youth growing up in his hometown of Portland, Ore. He was nicknamed “Bandit” by his pals because of his penchant for instigating trouble — and then slipping away one step ahead of the police. Even his mom, Evie, has admitted that she prayed often for her son during his “wild years.”

The End Was Near

Sandra’s then hubby, Jesse James, cleaned up to help her celebrate her Oscar triumph on March 8, 2010. Sandra moved out of their California home one week later, after news of Jesse’s cheating surfaced, and she filed for divorce the following month.

PUTTING THE “HOT” IN MUG SHOT

1993

1996

It's easy to see who wins the title of Handsomest Man Behind Bars! After a 1988 DUI arrest in Oregon (A), Bryan was briefly jailed on four different occasions (including in 1993 and 1996, above) for missing court dates, driving with a suspended license and violating his probation. He finally pled guilty to the DUI charge in 1993 — though he later caught flak for missing a year of his alcohol treatment program (B).

ended in April 1988, when he was arrested in Portland on a DUI charge. The case played out in court for five years (he eventually pled guilty), during which time multiple warrants were issued for his arrest for missing court dates, and he was nabbed again for driving with a suspended license. He also found time to go on a drunken four-day bender in L.A. in the summer of 1990, during which he destroyed his room at an upscale hotel by tearing down the ceiling fan, ripping up the drapes and piling everything in the middle of the room. He ended up in the

hospital, severely dehydrated, and soon after was convinced by a friend to attend a sobriety support group.

That wouldn't be the last time Bryan was told to get help. After his DUI guilty plea in 1993, part of his sentence, which included spending four days in jail and being put on probation for two years, involved attending an “alcohol evaluation and treatment program” — but according to Multnomah County (Ore.) District Court papers obtained by *Star*, the treatment was terminated in July 1995 after Bryan didn't bother to contact his monitor for a year.

A Sister in His Future?

Sandra is devoted to her adopted 5-year-old son, Louis — who may soon be looking up to Bryan's adult daughter, Skylar (see box, right).

DRUG HEARTBREAK

After being discovered by an agent in an NYC elevator, Bryan eventually signed with the prestigious Wilhelmina Agency, and his modeling career took off in the early '90s, with runway work in Europe and appearances in *GQ* magazine and France's *Vogue Hommes*. By this time, Bryan was splitting his time between Los Angeles and Oregon — but in September 1993, his ties to his home state took on a new importance.

That month, a woman named Janine Staten gave birth to Bryan's daughter Skylar, now 21. After his paternity was established, Bryan began court-ordered support payments to Janine in 1994. But by 2004, his monthly payments were

HIS NEIGHBORS ARE “SCARED” OF HIM

At 6'2" and 200 lbs., Bryan is an imposing figure — especially when you factor in his frightening, hair-trigger temper. That was the claim of one of his next-door neighbors in L.A., who requested a restraining order against Bryan in August 2012 (far right) after he allegedly threatened the neighbor and his girlfriend and smeared dog feces on their door when their dog did its business in front of their building. The neighbor's request was later denied after a “contested hearing.”

being sent not to Janine but to one of her family members, who'd been designated as a "caretaker" for Skylar — because her mom had apparently fallen victim to drug abuse. Land County (Ore.) Circuit Court documents obtained by *Star* show that Janine was arrested for heroin possession in 1999, and again the following year; she died tragically in 2007 at the age of 42. Skylar, meanwhile, moved in with her dad in L.A. in recent years.

WHAT NOW, SANDRA?

It appears as if Bryan has been on the straight and narrow for a while — other than his alleged involvement in what a neighbor in L.A. claimed was a frightening confrontation with the photographer in 2012 (see box, below). In court documents, the neighbor claimed to "know firsthand [Bryan] has...as many as 3 guns in the house," and said he was "paralyzed with anxiety." The neighbor's girlfriend claimed Bryan had "a famously bad temper," and she believed he needed "some psychiatric help."

The neighbor's request for a Civil Harassment Restraining Order against Bryan was ultimately denied after a "contested hearing." Still, says an insider, Sandra should think twice about any long term commitment with Bryan. "Even the remote possibility that a guy would be capable of totally flying off the handle should give a prospective partner pause for concern, in my opinion," the insider tells *Star*. "Sandra has such a good head on her shoulders, so her taste in bad boys is puzzling. I also heard that Bryan had been dating a 23-year-old for more than two years, right up until he and Sandra became a couple. I sincerely hope she doesn't have another Jesse on her hands!" ★

BRYAN'S TRAGIC BABY MAMA

In 1994, according to Jackson County (Ore.) court documents (A) obtained by *Star*, it was established that Bryan had fathered a girl born the previous year to a woman named Janine Staten, and the Department of Justice ordered him to begin paying child support. While Bryan's now 21-year-old daughter, Skylar, has recently been living with him in California, sadly, her mom, Janine, fell into a pit of drug abuse in Oregon (B) and died at age 42 in 2007. Given that, Bryan's post earlier this year to a Facebook photo of him and infant Skylar that she was "conceived while I was loaded on LSD" (left) seems like either a cruel joke or a stupid admission.

A HUNK WHO'S A HOTHEAD?

Josh Duggar's

FAUX REHAB

A SKETCHY TREATMENT CENTER, RUN BY SEX OFFENDERS, "IS NOT ENOUGH" TO CURE HIS DEEPLY INGRAINED PROBLEMS.

Sanctuary For Sickos?

Religious rehab Reformers Unanimous claims an 80 percent success rate, yet its pastors have been beset with sexual scandals.

In an attempt to salvage what's left of their family dignity, **Jim Bob** and **Michelle Duggar** are claiming their sex-addict son is seeking help. Yet there's no evidence that **Josh** is actually a resident of the religious rehab facility he ostensibly checked into last week — and even if he is, it's highly unlikely that the "treatment" he'd receive there could cure his deep-seated psychological problems. "Josh is in a hole and can't see a way out of it," reveals an inside source. "But his parents aren't ready to admit he needs real doctors, so they're putting him in God's hands."

On Aug. 24, the Duggars' plane touched down in Rockford, Ill., the location of faith-based rehab center Reformers Unanimous (RU). Two days later, Michelle confirmed that Josh, 27, had checked into rehab. But he hasn't been attending the twice-daily prayer meetings deemed required for recovery. And on Aug. 27, the family plane was sighted in Paragould, Ark. — leading to speculation that Josh is now on lockdown there.

While only the Duggars know where the confessed child molester, porn addict and serial adulterer is — and if he's getting treatment or simply lying low — their family unity is clearly fraying. "We pray that he comes to complete repentance and sincere change," was the dutifully written website message, yet **Jessa Duggar Seewald** posted a link to her father-in-law's scathing blog post slamming Josh for "deceiving us all."

A HAVEN FOR OFFENDERS

If the Duggars did fly Josh out of RU, which purports to cure addiction with religion for \$7,500 per six-month stay, it may have been due to the sex scandals associated with the place. Founding pastor Paul Kingsbury is allegedly helping to protect accused sex offender Richard DeVall from prosecution. And Jack Allen Schaap, a former RU pastor, is currently serving a 12-year prison sentence for criminal sexual assault on a minor.

In addition to pervert pastors, RU conducts its prayer meetings at North

Love Baptist, the same church where preschool, youth and teen groups also regularly convene — hardly a suitable spot for someone with Josh's history. "Based on his behavior, he is at high risk for molesting children and acting out in a sexually addictive way," says Beverly Hills psychotherapist Fran Walfish.

CAN HE BE SAVED?

Walfish, who has never treated Josh, believes "a pastor's care is not enough" for him. "Professional rehab would involve evaluation by a well-trained psychiatrist to determine his diagnosis and if medication needs to be prescribed," she says.

Even with intensive therapy, Josh may be a lost cause. "Sex offenders have a low rate of success," Walfish says. "Josh's behavior indicates that he doesn't have enough conscience to stop."

If he fails to get professional help, "Josh could become suicidal," Walfish says. If his family continues to shield him, "he could continue down the road to sin for a long, long time." ★

Boy Crazy

According to an insider, Taylor has been getting affectionate with one of her dozen or so dancers.

Taylor's

SECRET BACKUP

LOOKS like some “bad blood” could be brewing behind the scenes of **Taylor Swift** and **Calvin Harris**’s whirlwind romance — and sources say another guy may be to blame! Despite plenty of PDA between the musical power couple all summer long,

Star has exclusively learned that the chart-topping pop diva, 25, has been getting cozy with one of her 1989 World Tour backup dancers behind her hunky boyfriend’s back.

“She calls him her ‘tour guy,’” reveals an insider, who remained tight-lipped when pressed to identify the mystery man. “They’ve got a ton of chemistry and electricity, and she’s been openly flirting with him in front of everyone. Some people may see it as innocent, but I think flirting with a handsome guy behind your boyfriend’s back is cheating, plain and simple.” (A rep for Taylor denies *Star*’s story.)

But sometimes, being the teacher’s pet comes at a steep price. Besides catching flak from the other performers about canoodling with the boss, the source says Taylor’s new guy feels obligated to cater to her every whim, whether it’s foot and neck rubs or private rehearsals to work on choreography. “She has got

A HISTORY OF SIDE DISHES...

Taylor’s fixation with a backup dancer wouldn’t be the first time she’s cheated. As *Star* exclusively reported, the singer stepped out on handsome boyfriend Conor Kennedy with his cousin Patrick Schwarzenegger during a family event in 2012 — giving a whole new meaning to kissing cousins. “Taylor and Patrick weren’t kissing out in the open, but she wasn’t being as subtle as she thought she was,” reveals a source. “The previous day, she’d been all over Conor — so she hooked up with two cousins on consecutive nights!”

him wrapped around her little finger,” explains the insider, “and that’s just how she likes it.”

WOMAN IN CHARGE

Why would Taylor risk the apparent good thing she has going with Calvin? According to the insider, Taylor likes guys she can “boss around,” and unlike the pop princess’s more passive former flames — such as **Harry Styles**, **Joe Jonas**, **John Mayer** and **Jake Gyllenhaal** — Calvin, 31, isn’t content with being a wallflower in their relationship. “He doesn’t defer to her,” dishes the insider. He speaks his mind — and he’s just as successful! Calvin thinks of himself as Taylor’s equal.”

Indeed, in 2014, the Scottish superstar was named the top-selling DJ in the world,

Careful, Calvin!

Calvin was MIA during the MTV Video Movie Awards on Aug. 30. But Taylor was there — and so were all her male backup dancers.

with reported earnings of \$66 million — slightly (and, surprisingly,) more than Taylor’s \$64 million. “She loves having the upper hand, but Calvin doesn’t give her an inch...so she went off and found another thrill,” explains the insider.

TWO IS BETTER THAN ONE

Despite her innocent, wide-eyed gaze, this wouldn’t be the first time the songbird has pushed the boundaries. In 2012, *Star* exclusively reported that Taylor cheated on then beau **Conor Kennedy** with his cousin **Patrick Schwarzenegger** during a Kennedy family event. Even worse — she’d been spotted making out with Conor the night before!

And it seems Calvin’s relationship past is just as bumpy. Following a nasty breakup with singer **Rita Ora** in 2014, the dreamy DJ allegedly hooked up with Taylor while he was still dating model **Aarika Wolf**. Only a few months later, Calvin was linked to a gorgeous brunette he met in Las Vegas.

Now that the two are officially a couple, Calvin appears to have tamed his wandering eye. But pals say Taylor still wants to play the field, especially with her tour taking her throughout the U.S. this fall and Asia and Australia for the remainder of the year.

“She knows Calvin is a good catch, but she still wants to have fun when they’re apart,” explains the insider. “Taylor is an all-or-none type of girl when it comes to relationships. She wants Calvin to be at her beck and call, but he’s got his own career to attend to. So when he’s not around, she plays.” ★

Original Sin

"No one is quite sure how she heard, but clearly someone on the tour caught wind and told her," a source says of Gwen's discovery of Gavin's cheating, just two years after they were married.

GWEN STEFANI TRIED TO IGNORE RUMORS OF HER HUSBAND'S AFFAIR WITH SHANNA MOAKLER FOR YEARS UNTIL SHE'D FINALLY HAD ENOUGH!

Gavin's

CHEAT BOMBSHELL!

THE world was shocked when beloved rock 'n' roll royal couple **Gwen Stefani**, 45, and **Gavin Rossdale**, 49, announced they were separating after 13 years of marriage and three children together. But their relationship had been frayed for years and may have been doomed from the very beginning: Sources claim that in 2004, just two years after the sexy pair wed, Gwen caught Gavin carrying on

an affair with reality TV star and former Miss USA **Shanna Moakler**!

Making matters more sordid was that the affair apparently occurred while Gwen's band, No Doubt, and Shanna's future husband **Travis Barker**'s band, Blink-182, were on tour together, with Gavin and Shanna messing around backstage! "Word is that they were hooking up right under Gwen's nose," an insider tells *Star*. "Friends had warned her about his bad-boy antics, but she thought he was different. When Gwen

found out that Gavin was cheating with Shanna, she was rightfully furious."

Despite that fury, Gwen stayed married to Gavin, albeit with a tighter leash on her wandering husband and her trust forever broken. "I heard that Gwen was determined to stop any chance of Gavin and Shanna getting near each other," says the source. "She ordered that the two bands have different entrances and split the touring group in half. Gwen was so destroyed by the whole thing that even seeing Travis made her relive the nightmare."

And while friends believe that Gwen should have left Gavin before she got hurt further, she most likely convinced herself that it would never happen again and went on to have Kingston, 9, Zuma, 7, and Apollo, 18 months, with him. "Those kids mean everything to her," says the insider. "But Gwen regrets that she didn't walk away from Gavin years before. Deep down she knew he'd hurt her again and she set herself up for disaster."

LOVELESS MARRIAGE

As the years went on, Gwen and Gavin may have appeared to be a happy family, but their marriage was a constant struggle.

"It's a miracle that we could stay together this long. My biggest accomplishment is my marriage so far. Because it's hard," Gwen admitted to *Marie Claire* in 2012. "Marriage is something I always wanted to do successfully. I like the officialness and familiness of it all. Having the same name and making decisions together."

As she went on to explain that she never imagined she would land a "hot guy" like

Gavin, her friends believe it was that insecurity which prevented her from divorcing Gavin earlier. "Gwen put on a strong front, but deep down she felt very uneasy about her marriage to Gavin," the source speculates. "She always praised him, put him in a good light and never thought she could do better than him."

All of which makes Gavin's alleged infidelities even more heartbreaking. As the source explains, "Now that she's had some time alone to think, she can see his true colors, which her friends warned her about: that he's a liar and a cheater."

Just ask wild rocker **Courtney Love**, who claimed she was one of many women Gavin was sleeping with during his early years with the "Hollaback" beauty. In 2010 on *The Howard Stern Show*, Courtney spilled that she and Gavin had had an eight-month affair. She even described the Bush frontman as an Adonis and said he was great in bed.

So while Gwen stayed by his side as a loving wife and even endured months of marital counseling, she apparently could never manage to trust him — which ultimately doomed their marriage. "For the past year, their relationship had been in a downward spiral. Their sex life was practically nonexistent, and they slept in different bedrooms," the source has heard. "Looking back now, she feels foolish for being so kind and forgiving. She just lacked the confidence needed to leave him. But she doesn't feel any resentment because she got three amazing kids out of it. She only wishes she'd taken a stand against his wandering eye." ★

BACKSTAGE BOOTY

Travis's band, Blink-182, toured with Gwen's No Doubt during the summer of 2004, but it may have been their significant others who got the most action, as Gavin and Shanna hooked up backstage!

Caitlyn's Nightmare A YEAR BEHIND BARS

CAITLYN JENNER WAS INVOLVED IN A FATAL CAR CRASH SEVEN MONTHS AGO — AND SHE MAY SOON GO TO JAIL FOR IT!

COMING out publicly as a transgender woman may not be the most difficult experience **Caitlyn Jenner** confronts this year. Her life could soon change drastically, should authorities charge her with manslaughter for her role in a multiple-car crash in February that left one person dead.

If Caitlyn is convicted, she could spend up to a year in jail. “She is freaking out over this whole, terrible incident. The thought of going to jail is terrifying,” says a source close to the 65-year-old reality star. “She can hardly even sleep at night. She wakes up covered in sweat, shaking. It’s horrific. Caitlyn knows there’s a real chance she could be incarcerated, and she’s in no way prepared for it.”

BREAKING DOWN OVER LOCKUP

While Caitlyn’s legal team has told her she’s unlikely to serve jail time, the mere possibility of being locked up has turned her world upside down. “She’s still going through hormonal upheavals, so she’s extremely emotional,” the insider says. “Her fear is ending up in a men’s prison, where she’d be a huge target. She’s having nightmares about getting beaten up.”

According to the Los Angeles County Sheriff’s Department, male-to-female transgender inmates who have completed all forms of gender-reassignment surgery

(meaning both “top” and “bottom” procedures) are housed in a women’s facility, while those who’ve only had some surgery remain in the men’s facility. Caitlyn has not publicly announced whether she’s undergone genital reassignment, but sources have told *Star* that, yes, the former Olympian has quietly completed the “bottom” procedure — so there should be no threat of her ending up in a men’s prison.

Even in the women’s facility, though, serving time would be traumatic for Caitlyn. “She can’t imagine not seeing or talking to her loved ones — or even to the therapists and doctors she sees weekly,” the source says. “The only time she can get this whole ordeal off her mind is right after her therapy sessions; she still replays that accident in her head over and over every day. She says she’ll never get over what happened.”

OTHER FEARS

Adding to her stress, Caitlyn is facing a \$18.5 million lawsuit from the family of Kim Howe, the woman killed in the crash. “Caitlyn cannot afford to pay that kind of money — plus her legal costs — after pouring so much of her finances into her surgeries,” the source says. “She’d have to sell her Malibu property and move in with one of her kids — or with her ex-wife Kris, which is an unbearable thought.”

Lucky for Caitlyn, she has a strong support system — including her close friend, the transgender performer **Candis Cayne** — to help her through this trying time. “Candis is being a rock for Caitlyn and has stayed over a couple of times to get her through the night, as have her sons **Burt and Brody**,” the insider says.

Now, as authorities review the investigation report and decide whether to charge Caitlyn, she is waiting in agony. “She’s really crumbling. She’ll go from totally calm and collected to breaking down in tears in a split second,” the insider says. “Going to jail is a terrifying prospect for anyone, but for someone in Caitlyn’s position, she just has no idea how she’ll survive.” ★

Kim Howe (left) was killed after Caitlyn hit her car.

— a friend tells *Star*

The Big House

If Caitlyn is convicted, she could serve time in L.A.'s notorious Twin Towers Correctional Facility — the world's largest — which has a dedicated cell block for gay and transgender inmates.

DID SHE CAUSE THE CRASH?

On Feb. 7, Caitlyn — then known as Bruce — was driving along the Pacific Coast Highway in Malibu when she rear-ended two cars, causing one, a Lexus, to careen into oncoming traffic, where a Hummer slammed into it. The driver of that Lexus, 69-year-old Kim Howe, died on the scene. While police determined that Caitlyn was not intoxicated, texting or on the phone and was driving the speed limit when the accident occurred, one detective said she was moving too fast for the road conditions that day — which may result in her being charged with misdemeanor manslaughter. Caitlyn has expressed remorse over the incident, calling it “a devastating tragedy.” “My heartfelt and deepest sympathies go out to the family and loved ones, and to all those who were involved or injured in this terrible accident,” she said in a statement.

Caitlyn passed a sobriety test at the scene of the accident.

MAKE A Splash!

SWIM YOUR WAY LEAN

Swimming is a great choice when it comes to your workout! It has incredible physical and mental benefits. This type of training is an efficient way to burn significant calories, speed up weight loss and tone up fast. The amount of effort being exerted by the entire body will raise your metabolism and help you shed some unwanted pounds.

The sport also has major stress relief benefits. When you're in the water (away from all technology), the mind is allowed to wander — no work distractions and no conversations. This allows you to disconnect and start to feel a sense of ease. The constant stream of distraction from emails, texts and social media makes it hard to get to this state. Just by swimming a few laps in the pool without any interruptions, you'll begin to let the stress melt away.

Now it's time to jump right in! This workout is designed to torch fat, boost endorphins and reduce stress. All it takes is 25 minutes to a stronger, leaner and vibrant new you!

JESSICA ALBA

The svelte mom of two credits her bikini body to changing up her workout, from cardio to Pilates to swimming with her girls.

Step 1: Start by warming up using any stroke for five minutes. This should be done at a slow to moderate pace, just to ease your body into the workout.

Step 2: After five minutes, increase speed to 80 percent of your max effort. Perform any stroke at this pace for the next five minutes. Do not worry about distance.

Step 3: After five minutes, grab a kickboard. Perform five minutes of kicking at a fast pace. Keep your gaze straight ahead and your core engaged the entire time.

Step 4: For the final five minutes, move onto your back, holding the kickboard overhead. Stretch through your arms and kick as hard as possible. Keep hips up and core engaged the entire time.

Step 5: Finish the workout with a five-minute cooldown, performing the stroke of your choice.

Check out Nora's workout videos, nutrition programs and health tips at noratobin.com, at starmagazine.com and on Instagram: @NoraTobin.

Postswim

Be sure to refuel your system and start to rebuild lean muscle. This is a crucial step, since it will allow the body to burn fat. Enjoy a shake or meal within 30 minutes of your swim session.

→ SLEEPING WITH OTHER PEOPLE

Jason Sudeikis and Alison Brie star in this raunchy romantic comedy as Jake and Lainie, classmates who lose their virginity together in college. After running into each other again 12 years later, at a sex-addicts meeting, they become friends. He's a commitment-shy cad, while she still holds a torch for and is sleeping with her now married college boyfriend (**Adam Scott**). So Jake and Lainie team up to be each other's wingman and confidante — in other words, to be friends without benefits. Can this nonromance last — or even stay strictly nonphysical? Along the way, you'll be laughing out loud at the nonstop string of witty one-liners and wild, gasp-inducing moments. Sudeikis is always right on time with a sneaky punch line, while Brie manages to be naughty and brassy and vulnerable at the same time. It's a movie that will restore your love of the romantic comedy.

LONG STORY SHORT: One of the year's funniest, dirtiest comedies. ★★★★★

MOVIES

→ BLINDSPOT

Premieres Monday, Sept. 21, at 10PM, on NBC

When a cop finds an abandoned duffel bag in the middle of Times Square it opens to reveal a real bombshell: a naked girl (**Jaimie Alexander**) with amnesia, covered with cryptic tattoos. Oh, and one of the tats on her back — in big letters — is the name of an FBI agent (**Sullivan Stapleton**) she's never met. It's a great hook, until the show gives away the game — that this woman, dubbed Jane Doe, is actually a female Jason Bourne: a supersecret special-ops killer who can't remember how she got so good at crushing multiple bad guys at the same time. The tattoos (which provide clues about her backstory) are an interesting device, but once she starts to figure out that she has hidden talents (like speaking Chinese), the show starts to fall into a formula. Alexander is solid and Stapleton brings gruff charisma, but it's anyone's guess if this action-packed serial drama will actually catch on and be worth investing your time. ★★★★★

Jaimie Alexander stars as a mysterious woman with no memory...but plenty of ink.

→ LIFE IN PIECES

Premieres Monday, Sept. 21, at 8:30PM on CBS

This new multigenerational-family sitcom is the funniest new pilot to come along since *Modern Family*. It stars **James Brolin**, **Dianne Wiest**, **Colin Hanks** and **Betsy Brandt**, among others — and they all know how to wring maximum laughter out of any line. The show's gimmick is that each episode features four separate short stories involving different members of this extended family (and, occasionally, all of them). The first episode offers one couple (Hanks and **Zoe Lister-Jones**) going through childbirth, another (**Thomas Sadoski** and **Angelique Cabral**) trying to find a quiet place to have sex — and the family's patriarch (Brolin) throwing himself a funeral for his birthday, to hear what people have to say. It's easily the funniest new show of the fall season. ★★★★★

→ LIMITLESS

Premieres Tuesday, Sept. 22, at 10PM on CBS

If this series looks familiar, it may be because you saw the 2011 movie of the same name with **Bradley Cooper** (who makes a cameo appearance and serves as executive producer). The premise is still the same: The illicit drug NZT allows anyone who takes it to access their entire brain capacity, instead of the 10 percent most people are limited to. So users can see, hear and feel everything so acutely that they become superbrains. The series focuses on Brian Finch (**Jake McDorman**), a musical wannabe until an old friend slips him a tab of NZT — and suddenly, Brian is a whiz kid who figures out what is ailing his father (**Ron Rifkin**) after teams of doctors fail. His new ability makes Brian a target of the FBI, though there's one agent (**Jennifer Carpenter**) who thinks the FBI could use Brian's brain power for the forces of good. But once Brian decides to join up, the show loses its mojo, becoming one of a dozen cop shows that team a straight-edge law-enforcement type with someone with special abilities who dances around the rules. ★★★★★

Healthy and beautiful hair

My hair was thinning

“About a year ago I noticed my hair starting to fall out. I would find hairs in the shower and lots on my brush. It was so bad that my hair started to appear thin. This made me very concerned so I looked for solutions.

The pharmacist directed me to Hair Volume, a well-known hair product from Europe, that contains biotin, silica, millet and apple extract. I thought it sounded good, so I gave it a try.

IT WORKED FOR ME

Now I have been using it for 2 months and I am really happy with the product. It really works for me - I strongly recommend it”.
Laura, New York

BEAUTY FROM WITHIN

I had heard about the concept “beauty from within” and how nutrients could impact the health of my hair, so I went to my pharmacy and looked for hair supplements.

YOUR HAIR TABLET

Hair Volume™ is a Swedish bestselling supplement that contains nutrients like biotin, millet and silica, all beneficial for your hair. It specifically contains an ingredient from apples, called procyanadin B2.

5 Super Slimmers That Really Work!!!

1

Reshape your entire body in 30 days?

If you haven't heard about Vysera®-CLS yet... you definitely will... and very, very soon. Why? Because as incredible as it sounds, groundbreaking research has just identified a compound that can not only help you lose weight, but can actually reshape your entire body, reducing waist size, hip size, thigh and buttock circumference, belly bulge, and... last

but not least... cause a significant loss of actual fat mass from all over your body. Has the "miracle pill" finally arrived? As one article said, taking Vysera is sort of like "eating a whole donut and only absorbing a fraction of the calories." How's that for amazing? (Of course, we don't advocate eating a donut as a meal, and this example is used for illustrative purposes only.) Vysera-CLS is available at all Ulta stores, Kohl's, GNC and at VyseraCLS.com or call 1-800-377-0188. Use promo code VYSERA185 and shipping is free!†

The Super-Powerful "diet pill"!

When everything else has failed!

2

They're flying off the shelf... but it's not for everyone.

BiphedAdrene® is quickly making a name for itself in the "Super Pill" category because of its supercharged dual approach to weight loss: it's comprised of a unique Complex Phenylethylamine Provisional (for powerful appetite control, mood-elevation, and sustained energy) combined with an Aggressive Thermogenic Compound (for fat burning and stamina). This two-pronged attack on fat is apparently what makes the compound so effective... and so popular. And it doesn't just help provide very substantial weight loss... it also adds a mood and energy boost. BiphedAdrene is available at smarter retailers nationwide, direct from the manufacturer at Biphed.com or call 1-800-285-7001. Use promo code BIPHED118 and get free shipping.† However, we emphasize that this high-energy product is not for everyone because it is extremely potent and contains powerful xanthine (stimulant) compounds. Nevertheless, if "ordinary" diet pills aren't doing the job, BiphedAdrene could most certainly be your best bet!

3

"Combo-Pilling" America's Hottest Weight-Loss Craze

Ever wonder how some people manage to get so thin... so fast? It could be "Combo Pilling"... the über-trendy, "underground" practice of combining two or more diet pills to create "supercharged" weight loss. Our favorite diet pill combination is Zantrex®-3 (the high energy fat burner) and Relacore® Extra (the calming, feel good, "belly fat" pill). One pill picks you up, the other pill calms you down...

both of them are incredible... but together, oh my goodness! Available at WalMart, Walgreens, CVS, RiteAid, and smarter retailers nationwide, you can order both at TryComboPilling.com or call 1-800-454-2348 (use promo code COMBOPILL74 and get free shipping!)

Q: What Is Combo-Pilling?

A: The highly controversial practice of Combo-Pilling is truly an underground phenomenon. Odds are, if you know someone who's losing lots of weight, and losing it fast, you probably know someone who's Combo-Pilling... Why? Because it allows people to attack multiple facets of weight loss — like dropping fat, overcoming stress eating, and having enough energy to work out — at the same time.

4

SKINNYSTIX®

They say it's the best-tasting, easiest and most delicious way to lose weight, burn fat, increase energy,

heighten focus, boost mood and much, much more. No wonder you see so many celebs using it! Zantrex SkinnyStix are available in three super-refreshing flavors: Berry Fusion, Tangy Tangerine and Electric Lime...

Available at Walmart, Walgreens, CVS, Rite Aid and GNC.

(Call if you can't find your favorite flavor: 1-800-538-0265) Or pick 'em up at Zantrex3.com for about \$29!

Use promo code SKINNY34 and get free shipping.†

Try combining Tangy Tangerine SkinnyStix with a scoop or two of JLo's Vanilla TastyShake protein complex. Tastes just like a Creamsicle and cuts your appetite, too!

Continue to be honest in your romantic union – secrets can come back to bite you. Attention turns to home; the next two years is the ideal period to restructure your life, especially your finances.

LIBRA

SEPT. 23–OCT. 22

Reassess and research rather than settle or sign anything. Issues with siblings can surface, so deal with them once and for all. Love and friendship go hand in hand.

SCORPIO

Its time to focus on building a solid foundation for the future. Dark and gloomy energy is finally due to fade away. Watch out for secretiveness – pay attention to your instincts.

SAGITTARIUS

NOV. 22–DEC. 21

Life will get serious, allowing you to get down to business. Shake off any lingering cobwebs from the past. Friends, home and work will intermingle.

CAPRICORN

DEC. 22–JAN. 19

Financial assistance is on the way just as your love life starts heating up, so get ready for a passionate rendezvous! Uncertainty is rampant at work – keep your eyes and ears open.

AQUARIUS

Things at work ease up, but traveling arrangements and money can get confusing. Watch out for mix-ups. Romance radiates in your direction.

PISCES

FEB. 19–MARCH 20

Love is in the air; tell someone exactly how you feel. Opportunities arise at work, so sharpen your personal presentation and double-check your finances at home.

ARIES

MARCH 21–APRIL 19

Your love zone goes retrograde, so be careful of what you say and how you say it. Discuss a sensitive topic early in the week. A spark of inspiration can help you make headway at work; don't doubt your ability to get the job done.

TAURUS

APRIL 20–MAY 20

Activity in your relationship zone will let your romantic life have more love and light. Be mindful that your coworkers are not mind readers; spell it out and dumb it down. This is a perfect time for an image overhaul – book a spa day.

GEMINI

MAY 21–JUNE 20

Relationships of substance, not flirtatious flings, will be on your mind for the next few years. This energy helps you release emotional blockages that could be stopping you from having everything you want. Think before you speak.

CANCER

JUNE 21–JULY 22

Family and home life can become fraught with complications and misunderstandings; be aware that communications may be stressful, especially if already strained. In love, value what you have to offer.

Motion!

Over the years the beloved Disney characters have given us countless gifts ... unforgettable moments of love, laughter and imagination. Now the magic of Disney delivers all the joys of the holidays with *The Wonderful World of Disney Christmas Tree*.

With four levels of rotating movement—including two separate trains, a parade of dancing princesses and dashing princes and Mickey in his sleigh with Pluto leading the way—you'll watch as the Disney Express seems to "climb" ever higher up the tree. On each tier, Engineer Mickey "collects" gifts from all your favorite Disney friends. There's Winnie the Pooh, the Seven Dwarfs, Pinocchio, the Disney princesses, Donald Duck, Daisy and more. Plus, 20 LED lights colorfully illuminate the 10 handcrafted, hand-painted scenes that feature over 50 Disney figurines. And, for the perfect finishing touch, this remarkable collectible plays a medley of festive holiday carols.

**Exceptional value;
attractively priced.**

The Wonderful World of Disney Christmas Tree can be yours for \$199.95, payable in 5 payments of only \$39.99*, the first due before shipment. But don't wait! MAKE SURE YOUR LOVED ONE IS SAFE

When You Can't Be There 24/7, We Will Be

"I did not wake up when my husband called to me...nor when the alarm went off. Your employee activated the alarm...and stayed on the phone with my husband until the paramedics arrived. My husband wears his Medical Alert always and we both feel so much more secure knowing that a person will be there for us. I heartily recommend the Medical Alert button for everyone."

— Carol C., Wife

"I wish to thank you for saving my boyfriend's 90 year old mother this week. She is going blind and has balance problems...and this week she took a very bad fall...and hit her head very hard. She's a very tough lady, and managed to bite down on the wrist monitor she wears and received quick response, because she had the BEST COMPANY protecting her. From the bottom of my heart, we want to thank everyone at Medical Alert... the system really works well!"

— Judi M., Daughter-In-Law

"I was out of town with no cell phone reception and the 2nd contact (a neighbor) was on vacation when my mother fell and hit her head. She pushed the Medical Alert button, who promptly called us, and when we didn't answer, contacted the local fire department. Mom would have laid on the floor for two days before I got home and probably would have bled to death without her button. Medical Alert saved her life."

— Frances A., Son

"Liz was having heart failure and we pushed the button. We had help in less than 10 minutes!"

Liz is 95 years old and loves her help on call. Thank you for saving my clients!"

— Peggy R., Caretaker

We know you want to be there for your loved ones, but sometimes it's hard to juggle all your responsibilities. With Medical Alert they get round the clock monitoring and simple push button calls to our emergency operators. You get peace of mind knowing someone is always there.

Justin & Kate

Justin has really matured recently, if his new blond, sidebanged 'do is any indication — he's the mirror image of middle-aged mom of eight Kate Gosselin.

Sofia & Katey

Talk about a Bundy bounce! *Modern Family's* Sofia Vergara teased her on-screen husband Ed O'Neill on Instagram by dressing up as his brassy *Married...with Children* wife, Peggy Bundy, famously played by Katey Sagal.

Cate & Lucille

Oh, Ricky! Two-time Oscar winner **Cate Blanchett** has signed on to play Hollywood legend Lucille Ball in a biopic penned by **Aaron Sorkin**, focusing on the *I Love Lucy* star's 20-year marriage to her costar Desi Arnaz.

GODDESS!

Roseanne & Derek

At 62, Roseanne Barr still has a lot of punk in her! The comedienne's new hairdo is short and white, just like recently married and lucky to be alive Sum 41 lead singer Deryck Whibley.

Star WEEKLY AWARDS

We round up the week's best, worst and downright strange.

* Best Lost And Found

Paris Hilton mislaid a \$350,000 ring while in Poland, but a local firefighter found and returned the trinket. Now the grateful heiress has promised him a reward. She hasn't said how much she'll bestow on the guy — she'll probably just bling it!

SO BIG!

PRICEY PAIR!

* BIGGEST RULE BREAKER

Susan Sarandon wasn't trying to step on any toes at Burning Man. But plugging her \$700 boots on social media violated the festival's principle of "decommodification."

INSTAGRAM/@KELLANLUTZ

CLIFF HANGER!

* Scariest Workout

You can't call Kellan Lutz a klutz! The *Twilight* hunk took time off from his latest film, shooting in Australia, to show off his moves. In posting the pics, he warned fans not to try this at home. But who's got cliffs like these in their backyard?

* PIGGIEST DOPPELGÄNGER

Were *Game of Thrones* star Natalie Dormer and Kermit the Frog's new squeeze, Denise, separated at birth? Nat needn't worry about competition. This little piggy isn't an actress, she's just a regular sow.

* Coolest Ride

Talk about a hot rod! Oscar winner Kevin Spacey isn't the only entertainer in the family. His brother Randy Fowler is a Rod Stewart impersonator who drives a limo for a living. Do ya think he's sexy?
